## JBS CERTIFICATION MARK PROGRAMME

The general policies of the JBS Certification Mark Programme are as follows:

- The JBS provides certification services for manufacturers participating in the programme and licensed to use the gazetted JBS Certification Marks to indicate conformity with Jamaican Standards.
- Where feasible, programmes will be developed to meet special requirements of the submitter. Where applicable, certification may form the basis for acceptance by inspection authorities responsible for enforcement of regulations.
- In performing its functions in accordance with its policies, JBS will not assume or undertake any responsibility of the manufacturer or any other party.

Participants in the programme should note that in the event of failure to resolve an issue arising from interpretation of requirements, there is a formal appeal procedure.

Further information concerning the details of the JBS Certification Mark Programme may be obtained from the Bureau of Standards, 6 Winchester Road, Kingston 10.

**ISBN XXX.XXXX.XXX**

Declared by the Bureau of Standards to be a standard Guideline pursuant to section 7 of the Standards Act 1969.

First published Month 202X

This standard was circulated in draft form for thirty (30) days non-objection under the reference DJS ISO 20022-5: 2026.

Jamaican Standards establish requirements in relation to commodities, processes and practices, but do not purport to include all the necessary provisions of a contract.

The attention of those using this Guideline is called to the necessity of complying with any relevant legislation.

## **National foreword**

This standard is an adoption and is identical to ISO 20022-5:2026 Financial services — Universal financial industry message scheme — Part 5: Conceptual interoperability and reverse engineering published by the International Organization for Standardization (ISO).

This document defines a scalable, methodical process to ensure business concept model interoperability and logical model alignment and reverse engineering.

This standard is voluntary.
