**Specify the Emergency or Extreme urgency of the award**

[During the evening of 6 May 2026, a power outage occurred that affected the premises. The outage lasted until the afternoon of 7 May 2026. During this time the batteries in the UPS that serves several laboratories became depleted. When the power was restored, both the UPS devices failed to re-start the lighting and environmental control systems in the laboratories. Without power, no work could be done in the laboratories. The service provider was engaged for the inspection, re-setting and re-starting of the UPS devices.](#)
